

ESOL English

Why choose an ESOL Qualification?

Our ESOL Skills for Life qualifications are designed to help you succeed in everyday life, work and further education. Gain the confidence to communicate fluently in English, enhance your employability, connect with others and fully participate in all aspects of life in the UK!

What will you explore?

Our courses cover essential skills, including speaking and listening, reading and writing. With a focus on grammar, vocabulary, applications, and useful everyday language. Join us and take the first step towards a brighter future!

Skills you will develop

- ★ Speaking
- ★ Listening
- ★ Reading
- ★ Writing
- ★ Grammar
- ★ Vocabulary
- ★ Spelling and Punctuation
- ★ Everyday Language
- ★ Confidence and Independence

Where can ESOL qualifications lead?

ESOL qualifications provide a clear pathway for progression, from Entry 2 to Level 2, and can lead to Functional Skills qualifications. With each level, learners improve their English skills, opening up opportunities for further education, better employment prospects, and greater confidence in everyday life and work situations

How will I be assessed?

Three exams:

- Speaking and Listening
- Reading
- Writing

How long is the course?

1 year

What grades do I need?

No qualifications are needed, but you do need a basic understanding and be able to speak some English.

You will undergo an assessment at enrolment and additional guidance will be provided.

Please see our website for more information.
